### **KNIGHTS OF COLUMBUS INSURANCE**

With the constant improvement of medical care, people are living longer and better; as a result, there is currently more than a 50 percent chance you will

need some long-term care in your lifetime. Planning for a long retirement should include a plan for long-term care. Typically, the younger you are when putting a long-term care insurance policy in place the less expensive it is. For further information please call me for an appointment.

Fred Durso, FICF, Field Agent, (856) 401-3055 or Fred.durso@kofc.org.

### **CHAPLAINS CORNER**

Jesus was indeed the Good Shepherd, who knew and loved His flock so much that He was willing to lay down His life for them. He will always go after those who have gone astray, perhaps you and me, whenever sin has separated us from Him.

## **EDITORIAL**

By all means, plan on attending our annual awards dinner on June 1st. We will be celebrating a banner year of Knights of Columbus successes. We have enjoyed across the board successes in recruitment, insurance and programs (quotas set by Supreme achieved in all three categories). The programs included our parish breakfast, hoagie sale, disability drive, Carnation Mother's Day fundraiser, profitable beer garden at the Parish Carnival, and we're optimistic about the success of our golf outing on June 9th which we will report to you in the July newsletter. The highlight of the evening will be the honoring of our knight and family of the year. We hope to see you there. VIVAT JESUS
